Real Leather Binding Material

Parent Books are an exact copy of the main book and are also scaled to size. There is no need to redesign the spreads. It is necessary to redesign the parent book cover separately if the main book has a cameo cover e.g. Fashion, New York, Oporto. etc. All the colour and material options are available just like the main book. UV Varnish is an option on the Parent Books at an additional cost.

Signature

New Signature range features Extra Thick pages.

For the first time on a digital album the page finish replicates the touch and feel of a matted album.

Finishes:

Fine Art Gesso: This is a unique paper finish on the page which provides a solid tactile slightly grained surface.

Sirio Polar: The image appears to be printed on sheet metal giving a slight silvery sheen.

Nettuno: A crisp linen effect on the texture of the page.
